Re: Application of CUC, Incorporated for Adjustment of Rates and Charges
Docket No. 2019-64-WS

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") recently became aware of two errors in the Direct Testimony of Michael L. Seaman-Huynh, which was filed on November 5, 2019. When calculating the average operating margin awarded by this Commission over the last three (3) and five (5) calendar years, respectively, an error was inadvertently made. As a result, on page 8, lines 3-6, the sentences have been amended to read:

For the last three (3) full calendar years (*i.e.*, 2016, 2017, and 2018), the average operating margin awarded by this Commission was approximately 13.6%. For the last five (5) full calendar years (*i.e.*, 2014, 2015, 2016, 2017, and 2018), the average operating margin awarded by this Commission was approximately 14.0%.

Enclosed for filing is the **Revised Direct Testimony of Michael L. Seaman-Huynh**, which includes the above corrections. The revisions impact no other testimony filed by ORS.

Thank you for your assistance in this matter.

Sincerely,

C. Lessie Hammonds
